	Introduction .....	xvii
<b>PART I</b>	<b>Get Started with Your Pocket PC</b>	
<b>CHAPTER 1</b>	<b>Welcome to Windows Mobile Software for Pocket PCs .....</b>	<b>3</b>
	Information Appliances .....	4
	Microsoft PC Companions .....	6
	Windows Mobile Devices .....	7
	Handheld PCs .....	8
	Palm-Size PCs .....	8
	Auto PCs .....	10
	Handheld PC 2000 .....	10
	Pocket PCs .....	11
	Pocket PC Phone Edition .....	12
	Looking to the Future .....	12
	Windows Mobile Software for Pocket PCs .....	13
	Windows CE .NET .....	13
	ActiveSync .....	14
	Pocket Outlook .....	15
	Pocket Office .....	15
	Microsoft Money .....	15
	Play Music and Games .....	15
	Read Books .....	16
	Connect to the Internet .....	16
	Wrapping Up .....	16
<b>CHAPTER 2</b>	<b>Get Acquainted with Your Pocket PC .....</b>	<b>17</b>
	Meet Your Pocket PC .....	18
	Review the Pocket PC .....	18
	Set Up Your Pocket PC .....	22
	Meet the Today Screen .....	24
	Use the Pocket PC Start Menu .....	25
	Work with Applications .....	28

	Get Help .....	30
	Print Documents .....	32
	File Storage and Program Memory .....	32
	Configure Memory .....	33
	Manage Files with File Explorer .....	34
	Wrapping Up .....	38
<b>CHAPTER 3</b>	<b>Personalize Your Pocket PC .....</b>	<b>39</b>
	Change the Personal Settings .....	40
	Program Hardware Buttons .....	41
	Configure the Input Methods .....	42
	Change the Start Menu .....	44
	Edit Owner Information .....	45
	Turn on Password Protection .....	46
	Change Sounds & Notifications .....	47
	Change the Today Screen .....	49
	Enter Information on Pocket PCs .....	51
	Use the Software Input Panel .....	51
	Try Alternative Recognizers .....	58
	Use External Keyboards .....	59
	Manage Running Programs .....	59
	Enhance the Today Screen .....	60
	Wrapping Up .....	62
<b>CHAPTER 4</b>	<b>Change Your Pocket PC System Settings .....</b>	<b>63</b>
	Change the System Settings .....	64
	Change the Device Name Using About .....	64
	Align the Screen .....	66
	Adjust the Backlight or Brightness .....	66
	Set the Clock and Alarms .....	67
	Adjust Memory .....	69
	Manage Power .....	71
	Change the Regional Settings .....	71
	Remove Programs .....	71
	Manage Certificates .....	73
	Wrapping Up .....	73
<b>CHAPTER 5</b>	<b>Connect Your Pocket PC with Desktop Computers .....</b>	<b>75</b>
	Introducing ActiveSync .....	76
	ActiveSync Installation .....	77
	Install ActiveSync on Desktop PCs .....	78
	Start ActiveSync on Desktop PCs .....	85
	Change Desktop ActiveSync Connection Settings .....	86
	Connect with Desktop PCs by Using a Serial Connection .....	87
	Connect with Desktop PCs by Using Infrared .....	87
	Connect with Desktop PCs by Using Bluetooth .....	88

	Connect with Desktop PCs by Using Ethernet Networking . . . . .	89
	Connect with Desktop PCs Using a Modem . . . . .	94
	Wrapping Up . . . . .	98
<b>CHAPTER 6</b>	<b>Synchronize Data with Desktop Computers . . . . .</b>	<b>99</b>
	Create a Partnership . . . . .	100
	Create Two Partnerships . . . . .	103
	Delete Partnerships . . . . .	107
	Configure Outlook Synchronization Settings . . . . .	108
	Change Outlook Calendar Synchronization Settings . . . . .	109
	Change Outlook Contact Synchronization Settings . . . . .	110
	Change Outlook Inbox Synchronization Settings . . . . .	110
	Change Task Synchronization Settings . . . . .	112
	Change File Synchronization Settings . . . . .	112
	Change Notes Synchronization Settings . . . . .	113
	Change Favorites Synchronization Settings . . . . .	113
	Change AvantGo Synchronization Settings . . . . .	115
	Configure Exchange Synchronization Settings . . . . .	116
	Change Calendar Synchronization Settings . . . . .	117
	Change Inbox Synchronization Settings . . . . .	117
	Change Exchange Server Connection Information . . . . .	118
	Change the Synchronization Schedule . . . . .	120
	Resolve Synchronization Conflicts . . . . .	121
	Configure File Conversion Settings . . . . .	122
	Wrapping Up . . . . .	123
<b>CHAPTER 7</b>	<b>Manage Your Pocket PC from Your Desktop . . . . .</b>	<b>125</b>
	Explore Files and Folders . . . . .	126
	Browse Files and Folders . . . . .	127
	Copy, Delete, and Rename Files and Folders . . . . .	128
	Back Up and Restore Files . . . . .	129
	Define the Backup Type . . . . .	130
	Define Where to Store the Backup . . . . .	131
	Restore from a Backup . . . . .	131
	Install and Remove Programs . . . . .	132
	Use ActiveSync to Install Programs . . . . .	132
	Use ActiveSync to Remove Programs . . . . .	135
	Use Desktop Pass Through . . . . .	135
	Wrapping Up . . . . .	136
<b>PART II</b>	<b>Make the Most Out of Your Pocket PC</b>	
<b>CHAPTER 8</b>	<b>Manage Appointments, Tasks, and Contacts . . . . .</b>	<b>139</b>
	Use Pocket Outlook on Your Pocket PC . . . . .	140
	Schedule Appointments Using Calendar . . . . .	142
	Create an Appointment in Calendar . . . . .	149

	Enter Notes for Appointments .....	155
	Schedule a Meeting Using Calendar .....	155
	Edit the Appointment Category List .....	156
	Filter Appointments by Categories .....	156
	Edit and Delete Appointments .....	157
	Find Appointments in Calendar .....	157
	Send and Receive Appointments via Infrared .....	158
	Configure Calendar Options .....	158
	Store and Retrieve Addresses Using Contacts .....	159
	View Addresses in Contacts .....	159
	Change the Contact List View .....	160
	Create New Contacts .....	162
	Edit and Delete Contacts .....	163
	Edit the Contact Category List .....	164
	Filter Contacts by Categories .....	165
	Find Contacts .....	165
	Send E-Mail to a Contact .....	165
	Send and Receive Contacts via Infrared .....	166
	Configure Contact Options .....	166
	Manage Your Tasks .....	166
	View Your Tasks .....	167
	Create New Tasks .....	169
	Enter Notes for Tasks .....	171
	Use the Task Entry Bar .....	171
	Edit and Delete Tasks .....	171
	Edit the Task Category List .....	171
	Filter Tasks by Categories .....	172
	Find Tasks .....	172
	Send and Receive Tasks via Infrared .....	173
	Configure Task Options .....	173
	Wrapping Up .....	174
<b>CHAPTER 9</b>	<b>Call a Friend from Your Pocket PC .....</b>	<b>175</b>
	Buy a Pocket PC Phone .....	176
	Make and Receive Phone Calls .....	178
	Make Phone Calls .....	179
	Receive Phone Calls .....	181
	Manage Calls .....	181
	Program Speed Dial .....	182
	Send and Receive Text Messages .....	183
	Connect to the Internet .....	184
	Manage Your Mobile Data Bill .....	185
	Configure the Pocket PC Phone .....	185
	Change the Phone Settings .....	185
	Change the Services Settings .....	186

	Change the Network Settings .....	187
	Change Device-Specific Settings .....	187
	Consider Smartphone .....	188
	Wrapping Up .....	188
<b>CHAPTER 10</b>	<b>Create Documents with Pocket Word .....</b>	<b>189</b>
	Use Pocket Word on Your Pocket PC .....	190
	Create, Open, and Save Documents .....	191
	Edit Your Pocket Word Documents .....	194
	Copy Text .....	194
	Delete Text .....	194
	Search for a Text String .....	195
	Check the Spelling .....	195
	Format Your Documents .....	196
	Use the Four Pocket Word Modes .....	197
	Express Yourself with Writing Mode .....	197
	Get Artistic with Drawing Mode .....	199
	Be Heard with Recording Mode .....	200
	Use the View Menu to Change the Screen Display .....	202
	Share Documents Easily with Other Users .....	202
	Copy and Delete Documents .....	203
	Wrapping Up .....	204
<b>CHAPTER 11</b>	<b>Crunch Numbers .....</b>	<b>205</b>
	Pocket Excel on the Pocket PC .....	206
	Start Pocket Excel .....	208
	Create a New Workbook .....	209
	Save Workbooks .....	210
	Move Around in Workbooks .....	210
	Add Data and Formulas to Workbooks .....	211
	Change the View in Workbooks .....	214
	Edit Data in Workbooks .....	217
	Format Data in Workbooks .....	220
	Work with Data in Workbooks .....	222
	Password-Protect Workbooks .....	225
	Share Workbooks .....	225
	The Pocket PC Calculator .....	226
	Use Calculator .....	226
	Wrapping Up .....	227
<b>CHAPTER 12</b>	<b>Manage Your Money .....</b>	<b>229</b>
	Install Microsoft Money .....	230
	Synchronize with Microsoft Money .....	231
	Configure Synchronization Settings .....	231
	Use Pocket Money .....	235
	Create, Edit, and Delete Accounts .....	235

## X How to Do Everything with Your Pocket PC

	Use Accounts and the Account Register .....	237
	Edit and Delete Transactions .....	241
	Create, Edit, and Delete Categories .....	241
	Create, Edit, and Delete Payees .....	243
	Create, Edit, and Update Investments .....	244
	Change Settings .....	245
	Set Passwords .....	247
	Wrapping Up .....	247
<b>CHAPTER 13</b>	<b>Take Notes .....</b>	<b>249</b>
	Create, Open, and Save Notes .....	250
	Write Notes .....	250
	Edit Notes .....	252
	Zoom Notes .....	252
	Make Voice Recordings .....	252
	Create Recordings .....	253
	Send Notes and Recordings via E-Mail or Infrared .....	255
	Synchronize Notes and Recordings .....	256
	Manage Your Notes and Recordings .....	257
	Search for Notes and Recordings .....	258
	Configure Notes .....	259
	Synchronize the Outlook Journal Using CLC Journal .....	260
	Create a Journal Entry Using CLC Journal .....	261
	Wrapping Up .....	262
<b>CHAPTER 14</b>	<b>View Pictures and Presentations .....</b>	<b>263</b>
	View Pictures .....	264
	View Pictures Using Microsoft Pictures .....	266
	View Pictures Using IA Album .....	268
	Edit Pictures .....	272
	Edit Pictures with Pocket Artist .....	272
	Edit Pictures with Photogenics .....	273
	Show PowerPoint Presentations .....	274
	Show Presentations Using Pocket SlideShow .....	276
	Create Presentations Using Pocket Slides .....	278
	Wrapping Up .....	280
<b>CHAPTER 15</b>	<b>Store and Query Data .....</b>	<b>281</b>
	Select a Pocket PC Database .....	282
	Create Databases with HanDBase .....	283
	Install HanDBase .....	284
	Create a Database .....	284
	Enter and Edit Data .....	286
	Synchronize Data with Your Desktop PC .....	287
	Synchronize Microsoft Access Databases .....	289
	Synchronize PC Databases .....	289

	Configure Database Synchronization Options .....	291
	Synchronize Mobile Device Databases to the Desktop .....	291
	Stop Database Synchronization .....	292
	Work with Pocket Access Databases Using Data On The Run .....	292
	Install Data On The Run .....	292
	Open a Database .....	292
	View Data .....	293
	Create Tables .....	293
	Search for Data .....	294
	Edit Data .....	294
	Wrapping Up .....	294
<b>CHAPTER 16</b>	<b>Be Productive at Work .....</b>	<b>295</b>
	Bring Your Pocket PC to Work .....	296
	Connect to Your PC at Work .....	297
	Work with Non-Microsoft Applications .....	298
	Access the Corporate Network .....	301
	Secure Information .....	307
	Use the Power-On Password .....	307
	Use Anti-Virus Software .....	308
	Store Sensitive Information in Secure Databases .....	308
	Assign Passwords to Documents .....	309
	Encrypt Files .....	309
	Connect to Corporate E-Mail Systems .....	309
	Send and Receive E-Mail from Exchange .....	310
	Send and Receive E-Mail from Lotus Notes .....	310
	Run Windows Programs .....	311
	Use Microsoft Mobile Terminal Server Client .....	312
	Use Citrix Winframe .....	313
	Use Other Remote-Control Applications .....	314
	Wrapping Up .....	314
<b>CHAPTER 17</b>	<b>Travel with Your Pocket PC .....</b>	<b>315</b>
	Prepare to Travel with Your Pocket PC .....	316
	Keep Your Pocket PC Running .....	316
	Plan How to Connect Your Pocket PC to the Internet .....	318
	Print on the Road .....	319
	Back Up Your Pocket PC on the Road .....	320
	Secure Your Data .....	321
	Turn Your Pocket PC into a Traveling Tool .....	321
	Know Where to Go and How to Get There .....	322
	Language Translation .....	326
	Hit the Road .....	327
	Make Final Preparations .....	327
	Complete a Travel Checklist .....	327
	Wrapping Up .....	328

<b>CHAPTER 18</b>	<b>Relax with Games, Music, Books, and Movies</b> .....	<b>329</b>
	Play Games on Your Pocket PC .....	330
	Download Games to Play .....	331
	Use Emulators to Play Games .....	332
	Play Solitaire on Your Pocket PC .....	333
	Configure Solitaire .....	335
	Play Jawbreaker .....	336
	Play Music .....	337
	Play Music Using Windows Media Player .....	338
	Personalize Windows Media Player .....	340
	Copy Music to Your Pocket PC .....	341
	Where to Find Music on the Internet .....	341
	Listen to Books Using Audible Player .....	342
	Read eBooks .....	343
	Read eBooks Using Microsoft Reader .....	343
	Download Microsoft Reader eBooks .....	346
	Read eBooks Using Other Programs .....	347
	Play Movies .....	348
	Play Movies Using Windows Media Player .....	348
	Play Movies Using PocketTV .....	348
	Watch TV Shows Using a Personal Video Station .....	349
	Wrapping Up .....	349
<b>PART III</b>	<b>Go Online with Your Pocket PC</b>	
<b>CHAPTER 19</b>	<b>Connect to Networks</b> .....	<b>353</b>
	Connection Improvements in Windows Mobile 2003 .....	354
	Managing Connections .....	356
	Connect to Networks Using Modems .....	358
	Create Modem Connections .....	360
	Manage Modem Connections .....	363
	Connect to Networks Using Virtual Private Networking .....	365
	Configure Proxy Servers .....	366
	Connect Using Wireless Modems .....	368
	Connect to Networks with Mobile Phones .....	368
	Connect to the Internet with Wireless Card Modems .....	372
	Connect Using ActiveSync Desktop Pass Through .....	372
	Connect to Local Area Networks .....	373
	Select a Network Adapter .....	374
	Configure Network Interface Adapters .....	376
	Use Network Adapters .....	381
	Wrapping Up .....	383
<b>CHAPTER 20</b>	<b>Send and Receive E-Mail</b> .....	<b>385</b>
	Use Inbox to Work with E-Mail .....	386
	Start Inbox .....	388

	Add Internet E-Mail Accounts .....	389
	Edit and Remove Accounts .....	392
	Synchronize E-Mail with Outlook .....	392
	Send and Receive E-Mail .....	394
	Compose a New E-Mail Message .....	396
	Read and Respond to E-Mail .....	399
	Manage Messages .....	400
	Manage Attachments .....	402
	Receive Meeting Requests .....	403
	Find Messages .....	403
	Wrapping Up .....	403
<b>CHAPTER 21</b>	<b>Send and Receive Instant Messages .....</b>	<b>405</b>
	Send and Receive Instant Messages Using MSN Messenger .....	406
	Send and Receive Messages .....	407
	Manage Contacts .....	410
	Change MSN Messenger Options .....	410
	Send and Receive Instant Messages Using Other Services .....	411
	Send and Receive Instant Messages Using AIM .....	411
	Send and Receive Instant Messages Using ICQ .....	413
	Consolidate Instant Messaging to One Program .....	414
	Send and Receive Instant Messages Using iMov Messenger .....	415
	Wrapping Up .....	416
<b>CHAPTER 22</b>	<b>Browse the Web .....</b>	<b>417</b>
	Start Pocket Internet Explorer .....	419
	Browse Websites .....	420
	Use the Address Bar and History .....	421
	Use Favorites .....	421
	Keep Track of Your Favorite Pages .....	421
	Add to Favorites .....	422
	Synchronize Favorites .....	422
	Configure Security Options .....	423
	Control Cookies .....	423
	Change the Display .....	423
	Control How Pages Display .....	424
	Change the Home Page .....	424
	Store Web Pages on Your Pocket PC .....	424
	Synchronize Mobile Favorites Content .....	425
	View Mobile Favorites .....	426
	Synchronize AvantGo Content .....	427
	Set Up with AvantGo .....	427
	Configure AvantGo Connect .....	428
	View AvantGo Channels .....	430
	Synchronize Content Using Mazingo .....	431
	Wrapping Up .....	432

PART IV	<b>Customize Your Pocket PC</b>	
CHAPTER 23	<b>Expand Your Pocket PC with Software and Hardware</b>	<b>435</b>
	Find Pocket PC Software	436
	Download Free Software from Microsoft	436
	Download Software from CNET	437
	Download Software from HPC.net	437
	Download Games from PocketGamer.org	437
	Download Skins and Themes	437
	Buy Pocket PC Software	438
	The Top Ten Pocket PC Downloads	438
	PowerToys	438
	Create Lists with ListPro	440
	Read the Bible with PocketBible	440
	Test Network Connections with vxUtil	441
	Create Outlines with Streamliner	441
	Secure Information in eWallet	441
	Explore the Pocket PC Registry	442
	Capture Screenshots with Pocket ScreenSnap	442
	Print Pocket Word Documents and E-Mail	442
	View Flash Content	443
	Add Storage Space with Peripheral Cards	443
	Expand with PC Cards	443
	Expand with CompactFlash Cards	445
	Expand with Secure Digital Cards	445
	Increase Storage Space	446
	Wrapping Up	447
	<b>Index</b>	<b>449</b>
